

UAMS GRADUATE SCHOOL / INTER-COLLEGE CROSS-LISTING REQUEST

This form is to be used solely for cross-listing a previously approved and existing course within another UAMS college with the graduate school

A cross listed course is the same course that carries a course prefix and number in more than one college. Cross listing a course increases the visibility of the course to a larger population of students as well as improving the efficiency of quality curriculum delivered between UAMS Colleges and the Graduate School. These courses will have a prefix of GSIC, for Grad School Inter College, and will be listed in the UAMS Graduate School Catalog.
