**Please check your UAMS email.**

All email communications will go to your UAMS email account.

# COMPLIANCE

- All UAMS students must complete a number of compliance requirements.
  - Examples: Student health insurance, TB screening, Flu shot, COVID-19 training, etc.
- Failure to complete these can result in deactivation of your UAMS account (i.e. Email, Blackboard, etc.), transcripts withheld, or registration not permitted.

# Policies and Procedures

- Academic Catalog – <https://gradschool.uams.edu/students/catalog/>
- Student Handbook – <https://gradschool.uams.edu/students/graduate-school-handbook/>
- Registration
  - Early, Regular, and Late Registration
  - Academic advising holds
  - Adding and dropping courses
- IPE Requirements
  - Register in GUS
  - Check your UAMS email for assigned dates/times
- Parking
  - Check your UAMS email for details
  - Visit the Campus Parking website for more information
- ID Badges
  - Check your UAMS email for pick-up times (if photo was sent)
  - Visit Creative Services' website for dates/times

  - Contact the UAMS Help Desk

[gus.uams.edu](http://gus.uams.edu)

# Use of Social Networking

Policy in the Student Handbook (pg.68)

# EMERGENCY NOTIFICATIONS

- Text messages are used to send emergency alerts in circumstances on campus which pose imminent and serious threat

[http://www.uams.edu/campusop/Forms/ENSText\\_Notify.aspx](http://www.uams.edu/campusop/Forms/ENSText_Notify.aspx)

- You can register up to 3 phone numbers for Code Black text alerts
- Single number for Codes Gray (severe weather) or Pink (infant abduction)

**TITLE IX**  
sex discrimination and harassment

- Protects all people regardless of their gender or gender identity from sex discrimination
  - Includes sexual harassment and sexual violence
- UAMS Title IX/ADA Coordinator
  - Ms. Andrea Neal
  - Email: [ANeal@uams.edu](mailto:ANeal@uams.edu)

# Fostering Open and Robust University Minds (FORUM) Act Compliance - Act 184 of 2019

UAMS supports free speech and assembly rights for its campus community, which includes UAMS faculty, staff, and **students**, and invited guests.

UAMS does not restrict planned outdoor speech and assembly activities to certain areas or “free speech zones.” Instead, planned and approved activities are welcome outdoors except for in areas that disrupt normal campus operations (e.g., roadways) and the entrances to patient care areas, as HIPAA and other privacy laws require UAMS to respect and protect patient identities and information.

# Planning Outdoor Speech and Assembly Activities

For guidance and resources, contact:

- **Students - your dean's office**
- Faculty - your department chair
- Staff - your supervisor
- For more information on FORUM Act compliance, refer to your student catalog or handbook.

# Graduate Student Association

- All Graduate School students are members
- The goals of the GSA are to:
  - Promote fellowship and the sharing of ideas in research and teaching
  - Represent the graduate students in the UAMS organization
  - Act as a means of communication between students and the Graduate School office
- The officers plan and execute the affairs and activities of the GSA
  - Monthly meetings
  - Professional development seminars
  - Research symposium
  - Thanksgiving lunch

## **2020-2021 Executive Officers**

President: Ashley Pike

Vice-President (Vacant)

Secretary: Kalee Holloway

Treasurer: Brian Parks

# Questions

# Code Active Shooter

- In the event of a Code Active Shooter, an announcement will be made.
- If off campus, do not come to campus.
- If on campus, shelter in place or immediately find a place of shelter and secure yourself there.
- An announcement will be made when clear.
- <http://www.uams.edu/campusop/depts/traincenter.aspx?SearchList=shooter>
