GRADUATE SCHOOL

Report of Master of Science Final Examination

The candidate's final thesis examination for the Degree of Master of Science will be oral. The examination will be primarily concerned with the field of the student's thesis, but may also include other aspects of the student's graduate work. The examining committee shall consist of the student's advisory committee and others who may be included at the discretion of the major professor and the Dean of the Graduate School. A department may, at its discretion, waive this requirement.
